Dear All,

On behalf of the Friends of the Children's Justice Center of East Hawaii, we would like to thank you for your thoughtful donation of twenty colorful hand-made fabric facemasks. Your donation will help us continue our work in filling emergency and special needs requests for abused children in our East Hawaii community. It was kind of you to support our ongoing work for abused children during these unusual times. We are all in this together, and your support is greatly appreciated!

When we work together as an island wide community, we do make a difference in the lives of the children that we serve by providing basic necessities, needed services, activities and learning experiences that they would not otherwise receive.

We often receive heartfelt thank you notes from the children and their families. These letters, and feedback from our partner agencies, validate the positive impact we have on the children we serve in East Hawaii. We could not succeed without you!

Mahalo,

Robin Benedict  
Program Coordinator
